WRITING

People have jobs because they need money to live, but what are some other important reasons that people have jobs? I think, earning money is not the only thing for working people.

The target of most jobs - is helping other people, make their lives better. Also, there are works about our planet and nature. Working on a jobs like this, people can help our world and make it better.

The second reason - some people are really love their job and enjoy of working it.

Unfortunately, the number of that people is not very big, because it hard to find a job that you will like and have great money on it.

Also, there are works, without which people lives would be even harder: doctor, teachers and etc.

This jobs was needed in the past and will needed in the future. This is the third rea-
