WRITING

2 I was planning to give my friend a surprise. He is my best friend and classmate too. We were friends since the first class of school. His name is Vadim. He is a very interesting person. He is very kind, cheerful and we have a lot of in common. He was fifteen years old. I was planning a surprise for his birthday. I had a great idea. I was planning to make a video where our president congratulate him and wish great day. I had many thoughts about where I can hold it. I decide to hold it on social media at his birthday. I had use many special programmes, watch a lot of studying videos. Finally, surprise was ready. My friend had a great reaction, he enjoyed the video, and I felt good about this. I was very glad because my plans not failed. Suddenly, I haven't shown this video someone else. But, I think if I did this, people would surprise and liked this present.

This story have a happy end and we all feel good about this. There are a lesson that I learned from this situation: it always cool to make your friend feel good.
